

REMARKS

Reconsideration of the application as amended is respectfully requested. The Examiner has restricted examination of claims 1-20 in this application. Specifically, the Examiner restricted claims 1-19, which are drawn to a method of molding a circuit package, classified in class 264, subclass 272.15 to Group I, and restricted claim 20, which are drawn to a circuit package, classified in class 257, subclass.

Although Applicants do not necessarily agree with the Examiner's reasons for restriction, Applicants elect to prosecute claims 1-19 of Group I. Therefore, Applicants have canceled claim 20 with traverse for possible inclusion in a divisional application.

If the Examiner believes that a telephonic interview will help speed this application toward issuance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,

Robert A. Manware
